

“CLC saves me and my crews a lot of time.”

Tammy Keating, Wick Buildings

With over 70,000 buildings and 1,000s of homes built, Wisconsin-based Wick Buildings is an engineering, design and manufacturing powerhouse. The company came to CLC to reboot its employee lodging program, which was costing the company thousands of dollars and hundreds of lost staffing hours each year.

THE CHALLENGE

Daily loss of time managing hotel relationships, booking and paperwork.

Managing numerous employee expense reimbursements to cover lodging spends.

Negotiating rates and establishing direct billing with hotels.

Submitting payments to dozens of hotels.

Complex billing and paperwork system.

Responding to teams in the field to resolve hotel booking issues.

THE CLC SOLUTION

Wick team foreman now carry CLC cards and checks crews into hotels.

We built a custom hotel directory by price, amenities and locations that allows Wick to manage costs and keep travelers happy.

CLC continually negotiates rates to get Wick the best pricing.

Hotels bill CLC directly, and CLC reviews every invoice to identify double charges and charges that don't match negotiated rates.

CLC provides consolidated invoices and customizable reports for faster reconciliation and payment.

CLC provides a 24/7 reservation support team
